1873 - 2023

FOR IMMEDIATE RELEASE

We're Celebrating Our 150th Anniversary

KITCHENER, ON – 2023 marks the 150th year in business for Staebler Insurance.

Our Kitchener-based insurance brokerage has planned a year-long of celebrations with events, charity and community givebacks, unlimited volunteer days, and a few surprises.

It's been a long, rewarding road for our organization who's navigated world wars, depressions and recessions, global pandemics, and more. We have seen change, been part of change, and

supported the change in Waterloo Region. It's a proud moment for us and our team that has grown alongside our community for 15 decades.

As we begin 2023, we are planned and organized to celebrate with exciting opportunities to engage staff, clients, and the community, including charitable contributions, educational endowments, volunteerism, and of course some fun.

While many things have changed since 1873, when Kitchener was Berlin, and King Street was a dirt track running between two villages, service is still of great value to our society. What has not changed at Staebler is the understanding that the link between community and company IS service.

“We are proud to be the custodians of the legacy of a treasured family business that has lived and grown alongside Waterloo Region for 150 years. It is truly an honour.”

– **Joanna (Philpott) Mendonca**, President

“It is humbling to contribute to a business with such a rich, local history. As one company, operated by two families, and three generations of each – Staebler has a real legacy within the community and the broker channel.”

– **Russell Philpott**, Executive Vice President

“Staebler has been my second home for over 15 years and we have grown as a family! 150 year is a huge milestone, and I am so proud to be celebrating along with my Staebler family.” – **Jodie Weiler**, Broker, Personal Solutions
